St Nicholas of Bari or Nicholas of Myra

Feast Day 6th December

St. Nicholas is the **patron saint** of children. His generous spirit and love for youth have led the way to the popular tradition of the gift-giving **Santa Claus** celebrated throughout the world. Born into a wealthy family and orphaned young, **St. Nicholas** gave his inheritance to the poor, then dedicated his life to serving God as a priest, and later as a **bishop**.

*Please note that subscriptions to cover January – December 2026
are now due – the cost is still £12 per number per year. If paying by cheque,
please make them payable to 'SVP 200 Club'.*

Thank you for your continued support.
